HAKKIMIZDA

Sektörde 1982 yılında küçük bir atölyede başladığımız bu serüvende, her zaman daha iyisi vardır vizyonu ile yola çıktık. Dünya standartlarını ve tasarım ilkelerini takip ederek yolumuza devam ettik. Tasarımı ve kaliteyi birleştirdik. 2014 yılında NEWMOOD koltuk adı altında isim değişikliğine giderek tıpkı ismimizde anlam bulan yeni ruh halimiz ile kurumsallaşmanın ilk adımını attık.

Günümüzde, NEWMOOD koltuk olarak, 8600 m2 alana sahip fabrikamızda binlerce koltuk takımı üretiliyor. Takımlarımızın şık, modern ve konforlu olması için "tasarımcılarımız", sağlam ve kaliteli olması için "üretim ekibimiz", bu özellikler ile donanımlı ayrıcalıklı ürünlerimizden daha fazla müşterimizin faydalanması için "satış ekiplerimiz" büyük bir özveriyle çalışıyorlar. NEWMOOD ailesi olarak kalite, estetik ve fonksiyonellikten ödün vermeden koltuklarımızı üretiliyor. Ürünlerimizde teknolojiyi ve el emeğini birleştirerek, kendi çizgimizde ilerliyoruz. Bizler 36 yıllık bir geçmişe ve tecrübeye dayanan ürünlerimizle kendimize yakışan ayrıcalıklı duruşumuzu ülkemizde ve dünya pazarında sürdürmeye devam ediyoruz...

ABOUT US

In this adventure that we started in a small workshop in the sector in 1982, we set out with the vision that there is always better. We continued on our way by following world standards and design principles . We combined design and quality. In 2014, we changed the name under the name of NEWMOOD Sofa and took the first step of institutionalization with our "new mood" that found meaning in our name.

Nowadays, as NEWMOOD Sofa, we produce thousands of sofa sets in our factory with an area of 8600 m2. In order to make our sets stylish, modern and comfortable "our designers"; to be robust and high quality "our production team"; and to benefit more customers from our privileged products equipped with these features " our sales teams " work with great devotion.

As the NEWMOOD family, we produce our sofa sets without sacrificing quality, aesthetics and functionality . By combining technology and manual labor in our products, we move forward in our own line.

We continue to maintain our privileged stance in our country and in the world market with our products based on a 36-year history and experience .
